- **HBF and HKGCC Harbour Walk 2 – TST to Hunghom**

Forty participants took part in our second Harbour Walk from TST to Hunghom. Through a team of experts, we learned about the history of the Kowloon waterfront, existing arrangements of public and private management for the promenade, current beautification projects, KCRC hopes for a major upgrade of their waterfront land and opportunities at the Hunghom waterfront. The walk concluded with drinks and a great view of the harbour at Hong Kong Harbour Plaza's Waterfront Terrace. A powerpoint of the walk will be available on the website shortly.

- **Cocktail reception** **22 May 2006**

HBF and BEC will be hosting the opening event for the "Creating Valuable Cities Conference"

- **Creating Valuable Cities Conference** **23 May 2006**

The Creating Valuable Cities Conference will examine the essential elements that are needed for creating a vibrant, attractive, productive, and sustainable city. It will take an in-depth look at the strategies that makes certain cities economic, social and cultural powerhouses, key international and local speakers will explore these issues and their importance for Hong Kong.

HBF will be releasing our "Harbour Value Study" at the Conference. The study determines the public's willingness to pay for improvement to the harbour and attaches a monetary value to public open spaces and amenities. This is the first time such a study has been undertaken and will provide a new and powerful view of the harbour's true value.
